

OCCUPATIONAL HEALTH AND SAFETY POLICY

PC Walls Pty Ltd is committed to carrying out all our work operations in such a manner that we, as far as practicably possible, achieve the following objectives:

- Provide and maintain safe work sites for our employees, our subcontractors and others affected by our work. We believe that all accidents are preventable.
- Through continuous monitoring of all company practices, seek to improve our safe work practices wherever possible.
- Construct our work in a manner that ensures we prioritize safety of all personnel affected by our operations.

To ensure we meet our commitments we will:

1. Ensure that everyone associated with our work knows their obligations to comply with the company's objectives. Managers will provide visible leadership, commitment and support to our objectives.
2. Empower our employees and subcontractors to stop a job where a condition exists that prevents them from achieving our safe work objectives and provide the means to correct these conditions.
3. Provide suitable plant, equipment and resources.
4. Promote a positive culture within our company towards improvement in all the above areas.
5. Comply with all applicable legislative standards, company requirements and contractual obligations.

The management of PC Walls Pty Ltd believe adherence to the above commitments will ensure our company will succeed in achieving our company goals.
